Recommend it to anyone going to Zambia as an overall view. , Next time I'll order a more detailed map with a better ratio size .Couldn't really pick out the camps I'm going to. My fault as I wasn't quite sure of the ratio - inch to mile

Clear and detailed map that is easy to use and easy to fold. It is great to be able to buy this map outside Zambia as it has been really useful in planning out trip there

My husband and I travel to Zambia 2 times a year. We have a GPS but the map helps us plan our travel. Good map. Updated regularly.

I had hoped a map of Africa would be included--perhaps on the reverse side.
