The Temptation Trap (The Alpha Billionaire Club Book 3)

Synopsis

Emma Wright is in over her head. Three months ago her life was perfect: amazing job, shiny new MBA, great friends. When her job turns into a nightmare overnight, Emma feels like her life is going down the tubes. The only bright spot is her hot new boyfriend. He's the man of her wildest dreams; sexy, smart, sweet, and a master of her body between the sheets. He can't seem to get enough of her full-figured curves, so it's too bad she's starting to think he's keeping dangerous secrets. Axel Sinclair likes control. At work, at home, in bed. He gets what he wants, and he never loses. Not until he meets Emma Wright, and she turns his well-ordered life upside down. Emma was supposed to be a job - getting his hands all over her luscious body was only a bonus. Before he knows it, Axel is in deep. Axel is sure Emma's guilty as hell. Can he do his job and bring her down? Or will he follow his heart and claim her for his own?

EXCERPT: Emma Wright was becoming a problem. She was supposed to be a job. An easy job. Get close to her, find evidence that she was selling confidential data to a competitor. Get paid a ton of money. How hard could it be? She was the head of Human Resources at a shipping company, not Mata Hari. This kind of thing was the bread and butter of Sinclair Security. I figured I'd take the meeting and pass the case to one of my guys. Then I got a good look at Emma Wright. Fiery red hair, creamy skin, abundant curves, and clear blue eyes with a wicked glint. She was irresistible. Luscious, soft, and more than a handful in all the right places. The moment I saw her picture, I knew I'd be handling her myself. Sleeping with the suspect wasn't usually my MO, but in this case, I was prepared to make an exception. Normally, my approach was to get the evidence, give it to the client, close the case, and cash the check. Not with Emma. Getting her into bed wasn't the hard part. Neither was pretending to be her lover. But Emma was tricky. She was smart. Funny. Gorgeous. And surprisingly kinky. Deliciously kinky. I'd never admit it, but it's possible I was taking my time on the case just to have an excuse to keep her in my bed.

Customer Reviews

This book was too long and drawn-out. I wasn't enamoured with the two main characters and their relationship never seemed to progress.

Enjoyed all these books

I have read Dylan, Sam, and now Alex. Love them all....now I want to read about Alex brothers.
Thank you...

This is Emma and Axel's story. Despite getting off to a bumpy start where Axel lied to Emma and turned her over to the enemy, the two of them attempt to work through their issues along with the threats to Emma's safety. I think out of the three in the series, their story is my favorite!

Quite a cap to the trilogy. All three should be read . Ms. Layne weaves quite a tale with each one unique but tied together by the mutual friendship of the Men. Waiting for a book on Evers and Jacob???

I have been waiting for Axel's story since meeting him in the Wedding Rescue. Alexa did not disappoint. I could barely put the book down. A must read.

I enjoyed reading the alpha billionaire club series. From the first to the third they just got better. I had a hard time putting the books down. The romance and adventure/mystery kept you hooked till the end.

I loved this book. Emma was awesome and strong. Thank you so much for such a well written story! Now I am off to buy the next one!!
