I purchased this book for a Women's Lit Undergraduate College Course. We didn't read the whole thing, but the majority of it. Filled with classics that are referenced to everyday. Enjoyed learning

more about the authors in the bio sections in addition to reading their writings. It worked really well for the class. I would recommend.

This was my favorite textbook during college, and I sold it during those broke student days. However, I bought it again as soon as I found it on !

I was a bit nervous purchasing a used book. I went that route once before from a different site and was disappointed. I can say I was pleasantly surprised! The Longman Anthology of Women's Literature book I received was gently used with no marks or highlighting on the inside. All pages in very good condition and the book was free of mildew or smoke smell. I will not hesitate to buy from this seller again. Thank you!

This is a very nice introduction to various female authors. I enjoyed reading stories by those I knew and becoming acquainted with those I didn't. Some have quickly become favorites.

I would recommend this book to any student in need of a college textbook which has been it's purpose for me. I recieved this item with urgency and it came as speedily as I expected and in the condition I expected as well. I greatly enjoy studying Women's Literature and this book has helped immensely in my studies!

Worth buying just for the Lorde pieces

totally worth the money. Had to get it for school but i've read plenty of other things besides what was assigned. definitely a book you and pick up and read for just 5 mintues or for 5 hours. i also like how they did a lot of short biographies about the author.

I needed this book for school, and found it from this seller for a great price. It was exactly as described, and a great book.
