Akio Hிரagi is the artist behind the manga adaptation of the hilarious fantasy light novel series, The Devil is a Part-Timer! Satoshi Wagahara is the author behind the hilarious fantasy light novel series, The Devil is a Part-timer!

I really love everything from this story and having an alternate format to the anime is nice. There really isn't a lot of new content but there is just enough that it was still it's own experience.

I started out as a fan of the anime, and now I am a fan of the manga too! Super fun, at times serious and other times silly. Perfect when I am looking for some light reading

Love it

Great volume, I got the 1st volume and just had to get the 2nd one. For those who bought the 1st volume of the MANGA version this volume is more action packed while still retaining the comedy genre
