Customer Reviews

I got this for my niece for her first communion. I wish I had gotten one to keep myself. It has a beautiful gold edge on the pages and the paper on the easier has a simple subtle flower design. Although my niece is 8, I wanted to get her a prayer book she could continue to grow into and not just a child's prayer book. The prayers and reflections are short and simple for her to understand yet as she gets older she will still be able to get good use out of it. Very pleased!

I ordered these for a friend so am passing on her comments: she was delighted when she got them. They came very quickly (thank you Prime) and while they are second hand she is very happy with the quality and the price. I believe she intends to give them gifts but being on a limited income she can't afford to buy new.

This is my favorite daily prayer book so I got one for my sister. It has prayers that go along with scriptures, it is so inspiring, especially the one near Christmas time. I finished it last year and am using it again this year, can't get enough!

A friend had an older copy, but by the same authors and I have read the pages many times when I have been with her and the words always moved me. So I had to have the book. It is a different devotional prayer book, for some reason it hits right where I am each day and gives me a quick prayer and a quick thought for the day. I love it so much I have ordered another one for a friend that is going through a bad time. I know she will love it like I do.

It enables you to start each day with a new and inspirational message. I gave it as a gift and my friend loves it. I would order it again as a gift and my friend said she will probably give it as a gift as well.

This was a gift and I had bought several others. In mint condition. Thank you.

This is a wonderful daily prayer book. Every day there is a new Bible verse, a brief prayer that takes us deeper into the verse and helps us to focus and then an uplifting quote at the end. Across from the daily page is a place to write your observations and thoughts on your daily prayer life. Lots to think about and speaks to many different matters. If you use daily devotionals, this is a must have.

I read this everyday. I love that includes blank pages at the end of each month to write your own prayer.
