Customer Reviews

Very Satisfied.

Great

I use them to teach my son. I tried level 1 first and it was very good so I purchased level 2 as well. So far I am very happy with the CDs. The speed may be a little fast for some beginners and depends on your level it may take some time to get used to it at the beginning. If you can keep up with the speed on the CDs you should have no problem communicating with native speakers.
