Aaron Rodgers: The Inspiring Story Of One Of Football's Greatest Quarterbacks (Football Biography Books)

Synopsis

Learn the Incredible Story of Green Bay Packer Aaron Rodgers! Read on your PC, Mac, smartphone, tablet or Kindle device! In Aaron Rodgers: The Inspiring Story of One of Football's Greatest Quarterbacks, you'll read about the inspirational story of football's star, Aaron Rodgers. This short unauthorized biography of Aaron Rodgers highlights the greatest moments of his career since starting in the league as the backup to the great Brett Favre. Aaron Rodgers remains one of the most effective quarterbacks to play professional football, and an inspiring leader for the Packers. In this book, we'll explore Aaron Rodgers's journey to the NFL, as well as his impact on the game. We'll learn about the influence of religion on Aaron Rodgers, Rodgers's leadership skills, as well as why nobody predicted how great Aaron Rodgers would become. Here is a preview of what is inside this book: Childhood and Early Life High School Years College Years at University of California-Berkeley Rodgers's NFL Career Aaron Rodgers and Religion Rodgers's Leadership Skills Why Nobody Predicted How Great Rodgers Would Be Aaron Rodgers's Legacy An excerpt from the book: When Aaron Rodgers finally got to take on the position as starting quarterback in 2008, nobody imagined he would become a two-time MVP quarterback player. In fact, it was almost a miracle in itself that Aaron was able to join the NFL at all. Today, Aaron Rodgers is one of the highest-paid quarterbacks in the NFL after he signed a very lucrative \$110 million contract for five years with the Green Bay Packers, which pays him an average of \$22 million per year. Aaron Rodgers grew up with football in his blood. His father played amateur football, so Aaron grew up loving the sport. Even at a young age, Aaron had a strong throwing arm. Aaron Rodgers's passion for the game of American football is what ultimately helped him become one of the greatest players of all time. Aaron Rodgers began breaking records as soon as he started playing football in high school, throwing more yards in passes than anyone on his team. Despite the fact that he was already proving himself to be a promising NFL recruit in high school, no college saw his potential and every Division One college turned him down during the recruiting process. However, Aaron Rodgers wanted to play for the NFL more than anything else in his life. Somehow Aaron Rodgers was able to break through every barrier and prove to the world that he belonged in the NFL. He attributes his current success to his parents, who not only instilled in him a love for playing sports but also taught him the core Christian values that have made him the disciplined man that he is today. Without the support and discipline that he received from his parents, Aaron believes he could not have achieved the success that he has as a quarterback today. At one point, a professor of Aaron Rodgers even bluntly told him that he would never make it to the NFL. He proved that teacher wrong by not only being drafted into the NFL in 2005 but by

becoming a starting quarterback who ranked in the 2014 season as the most valuable player for the second time. This is one of the most challenging honors for any quarterback to achieve, yet Aaron Rodgers has been able to do it twice already as he continues to ignore his critics. Customer Reviews

One of my best friends is a huge fan of the Green Bay Packers and for our recent book club they begged and pleaded that we read a book focusing on the football team they love. After searching around we all eventually settled on this autobiography of Aaron Rodgers. About half of the book club isn't interested in football, and the other half is. But we all agreed that this book was definitely well-written and very informative. This is an unauthorized autobiography, but that didn't prohibit it from being very thorough. In fact all of us were very impressed with how detail-oriented the book was. Even my friend, who is ridiculously well informed on all aspects of the Green Bay Packers, learned some things in this book. The book covers all aspects of Aaron Rodgers life starting at early adulthood and going all the way to his professional career in the NFL. I always love learning about the humble beginnings of people who grow into some of the most idolized sports stars in history, and the fact that this book covered his childhood, early years, and teen years really interested me. I didn't know a lot about Aaron Rodgers going into this book (aside from the fact he was a pro NFL player), but after reading it I feel like I've definitely gained a lot of respect for him, his life, and his talent. The book does a great job of covering all aspects of Aaron Rodger's NFL career- which was

something that my friend was ready to scrutinize (because they, themselves, were a huge fan of Aaron Rodgers and felt they may have more information than the book could offer). With that being said, the book provided so much information on Aaron's time playing for the Green Bay Packers that my friend really had no additional info to add. THAT says a lot about how thorough this book is. And I was impressed. One of my favorite chapters delved pretty deeply into Aaron Rodgers and his religion. In fact that was one of the most discussed parts of the book by my book club. It just brought up a lot of really interesting points about our societal expectations for 'celebrities', and it was really interesting to read an autobiographical view on Aaron Rodgers and his faith. Overall, this book was very thorough, easy to read, easy to follow, and definitely left every single member of the book club way more informed on the life of the very interesting Aaron Rodgers. If you're a Green Bay Packer's fan, a NFL fan, a sports trivia fanatic, or just interested in learning something new- I definitely recommend this book.

We are huge Green Bay Packers fans and love Aaron Rodgers. I bought this book for my 10-year-old son to use as a source for a research project, but it is so poorly written and filled with grammatical and spelling errors that I am seriously contemplating returning it. As someone else already commented, it reads like a child wrote it. Very disappointing.

Not exactly what I was hoping it was going to be. Just an interesting read.

Good reading

MY DAUGHTER WENT TO HEAVEN EARLY (SHE HAD CYSTIC FIBROSIS) ***WHEN SHE WAS ALIVE, MY FRIEND TOOK HER TO AN NFL GAME EVERY YEAR OF HER SHORT LIFE***SHE ADORED FOOTBALL***SHE WATCHED THE NFL DRAFT EVERY YEAR***ONE YEAR WE WERE DOWN AT MYRTLE BEACH DURING A HURRICANE & THE NFL DRAFT WAS ON***SHE HAD BEEN KEEPING TRACK OF AARON RODGERS TO BEGIN WITH***SHE BEGGED ME TO WATCH THE DRAFT WITH HER & I GOT ROPED IN***THAT WAS THE YEAR AARON GOT DRAFTED FOR THE GREEN BAY PACKERS***SHE WAS EXCITED FOR HIM BECAUSE AT THE TIME, BRETT FARVE WAS ONE OF HER FAVORITE QUARTERBACKS***(SHE ALSO LOVED DREW BREESE & HE WAS STILL PLAYING FOR THE SAN DIEGO CHARGERS & SHE GOT TO MEET HIM)***AARON RODGERS IS A TREMENDOUS QUARTERBACK & SHE DIDN'T EVER GET TO SEE HIM PLAY***SHE IS NOW

WATCHING HIM FROM HEAVEN*****I HAVE READ EVERY BOOK I CAN FIND TO READ ABOUT HIM & I AM SO PROUD OF WHAT HE HAS ACCOMPLISHED***** AM I GLAD SHE TALKED ME INTO WATCHING THE DRAFT THAT YEAR?***WHAT A MEMORABLE TIME WE HAD TOGETHER DURING THAT HURRICANE***AARON IS AMAZING & BRETT FARVE'S BEHAVIOR WAS DISGRACEFUL, SO I AM SO GLAD AARON HAS TAKEN OVER IN & HAS DONE MORE THAN FILL BRETT'S SHOES***AARON IS THE COMMANDER OF THE PACKERS***HIS BRAVERY, ATTITUDE, STUBBORNESS, INTELLIGENCE, PERSERVERANCE, DEDICATION, SACRIFICE & RESPECT FOR AUTHORITY IS LIKE THE SHADOW OF VINCE LOMBARDI***AARON HAS GUTS, GRACE & GLORY***

What instantly took me by surprise in this book, is that Aaron Rodgers was a Christian from very young and even in his everyday life today. What started as a passion and a sport for his father, developed into a career and a passion also for Aaron Rodgers. When he was young he would learn all of the statistics of his favorite players and imagine himself playing as the role of quarterback. When the time came in high school to play first string quarterback, he amazed the crowd. Going to college at UC Berkeley in California catapulted his athleticism as it showed his true colors and his gift of playing football. Even in the NFL he is remarked as an MVP and a man of Faith who has not compromised for the money, but one who clings to his Faith in God! An Amazing story and a must read!

Received this book as a Christmas present and was disappointed. It reads as if a high schooler wrote this book, names of players are spelled incorrectly. If you are going to write something, at least make sure you spell the names correctly. The chapters of this book are essentially just summaries of each season of the Packers since Rodgers was drafted. Not much detail and it just glosses over the seasons and the challenges Rodgers faced being a quarterback. Even as an unofficial biography, I would still expect sources to be cited for each claim/fact stated, but that is not the case.

Aaron Rodgers is probably going to make the top 10 in the NFL. Me I am a Seahawks fan when they won I was very happy against the Packers in 2014(but sad for Rodgers). Anyways holding back to Rodgers may very well be to 5 quarterbacks in the NFL(very well top 3 with Brady and Montana). But one of the best quarterbacks I have ever seen.
