## Customer Reviews

Stan and Jan Berenstain introduced the first Berenstain Bears books in 1962. Mike Berenstain grew up watching his parents work together to write about and draw these lovable bears. Eventually he started drawing and writing about them too. Though Stan died in 2005 and Jan in 2012, Mike continues to create the delightful Bear adventures from his studio in Pennsylvania, in an area that looks much like the sunny dirt road deep in Bear Country.

Great read a loud for our littles! My 9 year old enjoyed it too. I do wish, however, that this Kindle version was programmed to have the pictures with the words, so the kids could look at it while I'm reading.

Always puts a warm feeling in my heart. My early readers will love learning about Independence Day.

Perfect story to read to a Sunday School group of children close to July 4th. Colorful enough to keep their attention. Lots of ways to take the story to fit into your needs. Good for younger children.

This is a plus

These "In the Light" series of books are great. Great biblically based moral lessons. This particular book illustrates why we are blessed to live in our country.

This is one of the cutest Bernstein Bears for a patriotic family.

You don't find many books these days that talk about God, and this one does. Love it!

It was a well written story, appropriate for the age group with great and colorful illustrations. I highly recommend this book if you have little ones in the house.
