3rd Grade Science: Weather Systems (Hurricanes, Tornadoes & Typhoons) | Textbook Edition

Synopsis

The weather is confusing, isn't it? One moment it's hot, the next it's raining. But when a child understands common weather systems, it becomes easy for him/her to respond to common disturbances. This book features the hurricanes, tornadoes and typhoons with the purpose of helping a child understand how to prepare for them. Grab a copy and start learning today!
