'Belongs amongst the top 10 books any director or drama teacher should own.' --This text refers to an alternate Paperback edition.

I got this when I was teaching drama at a summer camp. This book gave me some great ideas for my activities and the kids had a blast playing some of the games in here. Depending on the age and ability of the group some of these might be more difficult.

Great resource, organized well and helpful!

Helpful!

Very useful for getting rehearsals off on the right foot!

I purchased this book to incorporate some drama games into fine arts programming. Great choice! full of fun ideas that could be used for all age groups; simple layout. I'm happy with the purchase!

Great book for teachers.

I would say this book is best for middle years but most lessons can be adapted to suit your needs.

very simple and easy to read but, I think, if there is a picture for the games, it is more excellent.
