What can you say? Civil Rules are Civil Rules. Michol and her writers help a lot. I would buy it rather than rules without comment, after all the Texas Rules are litigation by ambush and surprise!

Paralegal course material, purchased it for studing for paralegal course. it has helped me for getting through the course. also now i use this as reference guide.

O'Connors legal books are the most complete tool for the novice and lawyers alike. Anyone doing legal work in Texas should start with Texas Rules Civil Trials.

Terrific book, excellently written. This book is a must have for anyone practicing or studying law in Texas. I've used O'Conner's books for many years professionally and when I was in school, and it doesn't get any better.
