Customer Reviews

Book by Karl E Rohnke, Catherine M. Tait

great book

This 4th edition provides all the material needed to run a challenge course training or university course from start to finish. It covers all the new ACCT certification content areas and goes deeper to help learn about effectively working with groups, plus course management, technical skills, etc. It also includes two chapters on including people with disabilities on ropes courses. As it is titled, it is complete.
