Tales Of A Wedding Planner: Murder, Identity Mix-ups And A Missing Wedding Gown

Synopsis

Vicky Vance, wedding planner, finds that her new found profession is definitely not boring! She must deal with timid as well as determined young brides not to mention weddings that are not at all what one would expect. Murder, identity mix ups, and a missing wedding gown cause more than one problem for Vicky and her faithful assistant, Sally. At the end of her wedding tales, Vicky kindly gives practical advice on preparing original decorating themes for weddings. Her creative ideas can be quite useful to the bride who has a budget to contend with.

These read like they were outlines for potential stories, but needed to be fleshed out before they could qualify as real books. I was stunned by the sloppy choice of language: a house that is impressionable; a bouquet of nosegays; and others that I don't even remember. There were numerous typos throughout. Not professional enough for my liking.

Victoria Vance is planning the wedding for her Emma (niece)

& Mark's wedding. There will be about 150 guests. Brooklyn, NY. Brides are Beautiful Agency. Ginger Adams (22. Emma's BFF, fiancée) was the next wedding on the agenda. Theirs was for 300 wedding guests. Sally Thomas (asst.) would also help out. The girls nicknamed Ralph (50+) the Boss, & didn't really care for him either. He & Ginger could not agree on a whole lot. Manhattan, NY. Vicky & Sally decided it was time to go to the Third Avenue Pub. Surprise; the Boss showed up with another gal in tow. Sands Point (East Egg), Long Island, NY. Vicky & Sally met with Mr. Harold Adams (Ginger's father) & Beatrice (Harold wife). Beatrice was the 1 who was with the Boss the other night. Detective Harry "Sherlock" Holmes (Sands Point PD) arrived at the wedding at the Royal Eden Hotel. 20 waiters & waitresses & 300 guests were stunned about the murder of Ralph Brent (54). They would also have to be interviewed. What did James Wilson (waiter, medical student) reveal? Will the murder mystery get solved? I did not receive any type of compensation for reading & reviewing this book. While I receive free books from publishers & authors, I am under no obligation to write a positive review, only an honest one. All thoughts & opinions are entirely my own. A very awesome book cover, great font & writing style. A very well written cozy murder mystery book. It was very easy for me to read/follow from start/finish & never a dull moment. There were no grammar/typo errors, nor any repetitive or out of line sequence sentences. Lots of exciting scenarios, with several twists/turns & a great set of unique characters to keep track of. This could also make another great murder mystery movie, animated cartoon, a college PP presentation, or better yet a mini TV series. There is no doubt in my mind this is a very easy rating of 5 stars. Thank you for the Author; PDF book Tony Parsons MSW (Washburn)

As in life and love, we often stumble on circumstances without a clue as to where we will end up. Had Vicky Vance known where her willingness to plan a "small" wedding for 150 guests would lead, would she have taken on the task? Given the fun and frolic in these tales, I think yes! I am a big fan of short tales that add up to big entertainment, and all for independent heroines like Vicky and Sally. There is an also interesting blend of fiction and non-fiction here with colorful advice for readers planning their own weddings. Only having gotten hitched at City Hall twice-- both times with equally ill fated results-- the whole theme of wedding is a sort of fairy tale for me. Thanks, Elaine, for a good read and a crash course!

An excellent read with a great variety of stories! I loved the adventures of Vicky Vance & Assistant Sally. I thought the author did a great job creating the character of Vicky & her very

relatable and intriguing. My favorite short story was “The Missing Wedding Gown.” I also liked how Vicky provides her own tips & tricks of the trade to brides in the midst of wedding planning. Let’s just hope none of these brides’ weddings turn out like the weddings in this book!

TALES OF A WEDDING PLANNER by Elaine Bertolotti, consummate teller of tales, is a delightful collection of short stories starring two wedding planners, Vicky and Sally. Each story is a fast-paced mystery with breathless twists and turns and of course a surprise ending. Included in this not-to-be-missed book are suggestions for readers about to be married or planning a wedding or about to attend a wedding. My favorite characters are Vicky, Sally, and of course Detective Holmes. And I loved the unique wedding suggestions included at the end of the book, especially naming the tables after famous Renaissance artists at a Florentine-themed wedding. If you’re looking for a magical mystery tour with a wedding theme, you’ll love TALES OF A WEDDING PLANNER. I received a free copy of this book for an honest review.
