The Canadian Brass - 15 Favorite Hymns - Trumpet Descants: Easy Arrangements For Brass Quartet, Quintet Or Sextet

Synopsis

(Brass Ensemble). Ideal hymn accompaniments for festive congregational singing, and for performances by brass alone. Flexible instrumentation, with optional keyboard accompaniment, makes the arrangements adaptable to many situations. There are two versions of each hymn: the standard version found in hymnals in the common key, and a "variation verse," with a free and interesting arrangement. There is also a trumpet descant book available separately that matches the arrangements. Songs include: All Creatures of Our God and King * All Glory, Laud and Honor * Blessed Assurance * Christ the Lord Is Risen Today * Come, Ye Thankful People, Come * Crown Him with Many Crowns * Fairest Lord Jesus * and many more.

Customer Reviews

The titles in the book are very useful tunes and the descants are straightforward but interesting. Very playable. The descants work best with the companion keyboard book, but I was able to play them along with the hymn settings in our hymnal by making only minor changes to the descants. Usually I use only this book, but I own some of the other titles for other instruments and was once able to gather enough musicians to use 3 brass parts with the keyboard part. The pieces are easy and sound good. Nothing flashy, very usable.
