LeeDell Stickler is the Senior Editor of the Children's Curriculum Team at The United Methodist Publishing House and is the editor for Rock Solid Middle Elementary. She is a certified laboratory leader in the area of younger elementary children and is the author of several books: Out of the Box, O Taste and See That the Lord Is Good, Dig Into the Bible, Bible Brain Teasers, and Jesus Is Born. Before becoming an editor, LeeDell taught elementary school for eleven years. She and her husband live near Nashville, Tennessee.

I bought this for summer lessons for the kids. It gave them something other than school work to do. We did the first few and I have to say I haven't kept up with the crafts but this is a nice book. My biggest complaint is that this book is a little lacking on instructions/amount of time needed to put the accompanying crafts together. The first craft we attempted to do together without my "pre-reading" took us WAY TOO LONG. I will always review the craft BEFORE the lesson from here on out. I also suggest finding the lesson scriptures in the actual bible to fill in some of the summarizing that

happens in this book.

This is a great book. Kids LOVE it. (minor nitpick - instructions could be a bit better/clearer, but aren't too difficult to figure out).

I like how every lesson has a craft that goes with it. The lessons are simple so the kids really learn them quickly.

Pretty easy lessons for children's church. Will not fill up a whole hour.

Love it

great ideas

Useful book.

My Great-grandson and his Mom love it. Thanks, mc
