Customer Reviews

Good read. Typical Patterson. Exciting from beginning to end. Women's Murder Club are always great.

It is a good story and certainly held my attention. Wish it had been longer and that the characters had been better developed.

I'm not a fan of Patterson's bookshops, but the story was good. I just wanted more.

Not quite upset to the level of previous books. In this series I have read in the women's murder club

It was an ok read. However, way too short. No time to develop the plot. Very disappointed in the length.

I like James Patterson's book shorts. This story had you guessing the whole time on who did it, loved it

Bought for my mom and she loves all the books I get her from and its sellers.

Enjoyed the Murder Club series. Can't wait to start 16James Patterson keeps the story moving and interesting. Thank you
