5-Minute Mug Cakes: Nearly 100 Yummy Microwave Cakes

Synopsis

Don't think you can make a warm, gooey homemade cake in under five minutes? Think again! 5-Minute Mug Cakes is the perfect gift for anyone with a mug, a microwave, and a dream. With nearly 100 delectable recipes for cakes, brownies, cookies, and more, every single recipe can be made in an ordinary, microwave-safe mug in just a few minutes. Author Jennifer Lee, creator of Kirbie's Cravings, guides you through simple recipe favorites like: -2-Ingredient Flourless Nutella® Cake -Salted-Caramel Chocolate Cake -Funfetti Cake -S'mores Cake -Strawberries & Cream Cake -Chocolate Peanut Butter Cake -Red Velvet Cake -Lemon Dream Cake and dozens more! Featuring special chapters like Skinny Mug Cakes (all under 200 calories!), Gluten-Free Mug Cakes, and even 4-Ingredients-or-Less Mug Cakes, there is no excuse for eating tasteless, packaged desserts anymore. Every recipe in 5-Minute Mug Cakes is simple, fast, and delicious. The best part? If you mix your ingredients right in your favorite mug, there is next to no cleanup!

Customer Reviews

Jennifer Lee is the creator of the San Diego-based food blog, Kirbie's Cravings (www.kirbiecravings.com). Jennifer's recipes have been featured on the Huffington Post, BuzzFeed, Fox News, and in Saveur magazine, and she has worked with several leading national partners, including OXO, Chobani, Mrs. Dash, Green Mountain Coffee, Sargento Cheese, and more. 5-Minute Mug Cakes is her first book.

There are a few mug cake cookbooks on the market right now. The reason I chose this one was

because the recipes were simpler than others (no butter or eggs). I tried the chocolate mug cake in the book preview and it was delicious! It tasted more like a brownie than a chocolate cake but tasty nonetheless. Since I don't like my cakes too sweet, I modified the recipe simply by adding less chocolate. If you go on Kirbie's Cravings (author's blog), you can check out a bunch of her other mug cake recipes if you're still on the fence about purchasing this. Lots of easy recipes with pretty pictures; I spent hours sifting through her posts! I can tell the author has put a lot of thought into creating the recipes for both her blog and this cookbook so I'm always happy to support such commitment. The book is flexibound so it's paperback, but it's of very high quality. The flexibound also means that you can lay the book down flat and refer back to it when you're baking. The pages are colorful and include lots of high resolution photos. I can't wait to start making more mug cakes, especially the savory ones!

I got this for my daughter for Christmas, and she now has a mug cake almost every day. In fact, her siblings are frequently asking to borrow her book so they can have mug cakes too. The recipes are pretty simple overall, and use mostly common ingredients; plus there is a lot of variety in the offerings. They are hard to mess up; once little sister poured too much milk in and the cake turned out just great. For high altitude, I suggest reducing the baking soda/powder by half; add a dash of salt to bring out the flavors. All in all, lots of fun for the whole family.

I like these recipes because they taste good when I substitute Soy for the milk. I'm always looking for dairy free recipes

Yummy recipes.

I've been utilizing the blog versions of these recipes for so long, it's nice to have them in print form. Pictures are beautiful, recipes are simple, and satisfying my sweet tooth has never been quicker. Thanks Kirbie! ;)

Love these recipes for a quick little dessert!

I really like that every recipe has a picture to go with it. Lots of ideas packed into a little cookbook.

Love the book. Easy to make and yummy to.
