Great gift add on! I bought several of these for Christmas gifts. Its a small little token to add to the bag and it always gets the reaction you want. One of my friends immediately put one of these stickers on the back of her phone case and it just says "Nope" I'm now buying these for an upcoming Birthday. Definitely a good find with a nice price point. It's a small booklet of stickers with grumpy cat making various grumpy statements, along with that charming frown.

Super cute stickers, makes a great gift. It's actually a little book with several pages of stickers, not just the ones in the pic. Love it!

Any time I see Grumpy Cat merchandise I think "this cat isn't being exploited enough" so I buy it hoping to encourage further merchandise. Then I think about the owners rolling in a pile of cash, and get sad that my cats are only cute to me, and not worth the litter they crap in. I find these stickers a nice thing to add at the bottom of condolence cards. Lightens the mood. Nothing says "This is in poor taste. I'm sorry for your loss, but don't worry, when I die my hoard of cat will eat my face, so you'll have the last laugh" like a sassy cat.

I love Grumpy Cat! Who doesn't? And how can you go wrong with \$1.99 stickers?!? These are cute and some are holiday themed! There are also stickers of Grumpy's brother "Pokey". Very cute, I hope they make more!!! :)

These are fun and a hit with the toddlers that I give them to after a yucky exam in the ER. There aren't a lot of them, so if you are wanting gobs of stickers, look elsewhere, but these are exactly what I expected and wanted.

My wife is going nuts over these stickers! At the price, she can afford to buy multiple copies and give them as gifts. Spread the grump!

These are quite small and on some of them the words are a little hard to read unless you're right up on it.

These stickers are super cute and great for grumpy cat fans. They are a nice, thick good quality sticker & they come in a cute booklet.
