If you have a rocket-lover who loves to countdown and blast off, GET THIS BOOK! There's not a ton of substance, but it's quickly become a daily must-read for us (many times a day, to be honest!).

Interesting facts told in a way that is a fun "read" for my 2 year old granddaughter - who is going to be an astronaut! - but informative for the adult reader along the way. Great illustrations.

Real cute book for grandsons 1 1/2 & 3 1/2. Bright & colorful.

My grandson reportedly loves this book and now wants to be an astronaut. Makes ut a ten star for this Gramma!

Got this book along with a Melissa and Doug Space Suit for dress up. Made a really cute gift.

Grandson loves it!!!!

Thanks. Love it!

Great book!
