i have visited portland several times and this book helped me find places i was not familiar with. i recommend it highly

The book provides an excellent guide to Portland and nearby attractions. The author's recommendations were great. My only wish was that the recommendations be easier to find at a

glance.

Excellent book for sightseers. We used it everyday and saw many interesting parts of this wonderful city as a result.

My sister and her husband were moving to Portland - so I got this for them. They loved it and use it all the time. One guide that really is helpful!

I gave this book to my daughter who's moving to Portland; she told me the book has a wealth of information and she's enjoying it very much. Now she's spouting all sorts of unusual facts about the city, and she's eager to get there. She appreciates the useful information for someone who's moving to the city.

Very helpful
