# The Chew: A Year Of Celebrations: Festive And Delicious Recipes For Every Occasion

## Synopsis

The five hosts of ABC's hit show *The Chew* invite you to celebrate a full year of holidays, events, and special occasions. From Thanksgiving to Mother's Day, and Christmas to the Fourth of July, Mario Batali, Carla Hall, Clinton Kelly, Daphne Oz, and Michael Symon are here to provide you with mouthwatering recipes, useful entertaining tips, and creative crafts to make your gatherings unforgettable, original, and manageable. In this third companion book, the hosts bring the wit, wisdom, and practicality shared on the show to your raucous game-day gathering, romantic Valentine's Day dinner, and festive New Year's Eve bash. *The Chew: A Year of Celebrations* will guide you through the planning, cooking, and, of course, rejoicing in the year's most celebrated events. With a complete spread for each celebration, including drinks, appetizers, entrées, sides, and desserts, the guesswork is taken out of menu creation; all that's left to do is prepare and enjoy the fantastic food. Everyone will feel the love in the air at a wedding serving Clinton Kelly's Love Drunk Punch. Mario Batali's Cauliflower Fritters will ensure your awards-night get-together is a winner. Michael Symon will make your Halloween delicious with Trick or Treat Mac and Cheese. Carla Hall's Pumpkin Pecan Pie will finally eliminate the toughest Thanksgiving decision: classic pumpkin or classic pecan? Daphne Oz will show you how to make a Citrus Salt Scrub, the perfect favor for a bridal or baby shower. Your event will be stress-free, simple, and scrumptious thanks to the sage advice offered here. *The Chew: A Year of Celebrations* will guarantee you always have a blast at your own party.

## Book Information

Paperback: 256 pages

Publisher: Kingswell (September 23, 2014)

## Customer Reviews

Hosts Mario Batali, Michael Symon, Carla Hall, Clinton Kelly and Daphne Oz all live in the New York area.

I received this as a gift. Unfortunately, it suffers from the same problem as their website recipes: a lack of proofreading. I chose a recipe at random, the curried butternut squash soup. It starts by directing you to preheat the oven - but I'm reading the recipe, and nowhere does it mention actually using the oven. I checked their website, and sure enough, this is a recipe already available - for free - on the show's website. The difference is that the website recipe has the soup being served in a bread bowl, and the bread is what goes in the oven. Okay, not so bad. But the recipe calls for 2 tablespoons of butter - divided. Again, nowhere does it indicate the proper use of the butter, calling only for it to be added all at once to the soup (not divided). But - the website recipe does call for it to be divided, one tablespoon in the soup, one tablespoon used to toast the bread bowls. These are not the worst errors I've found in their recipes (over the years, some glaring errors have been noted in the recipes posted on the website) but clearly the proofreading of this book wasn't sufficient. Also, I checked a few recipes at random against their website - yup, they're on the website, for free. How many recipes in this book are available for free on their website, versus how many are new to the book? I don't know. Paying for recipes already available for free is bad enough. Paying for a cooking with faulty ingredient lists and instructions, inexcusable. Photos of the finished dish accompany many recipes, but there's far too many photos of the show's hosts.

It's okay. Surprised it's not as good as some of recipes I've gotten off their website. I do like how it's laid out. However, their website is much easier to use and has many more recipes that are outstanding.

Less pics of the "stars" and more recipes please!!!

If you like The Chew you will like this book, even if you aren't familiar with the show I think you will like it. The book has good photos of the food and of the hosts. Recipes are easily understood and the host sidebars are interesting and / or informational. Try the recipes, the suggested menus. Enjoy.

I am a big fan of the Chew--dvr it every day. The book was nice to look at but still quite disappointed. Thought a lot of the crafts were lame and the recipes were so so.

Nice book

ok

More pictures than recipes. Not recommend.
