Customer Reviews

Book by Atkins, Leah Rawls, LII, Jackson, Harvey H.

I ordered this book to use for our homeschooling and my kids enjoyed it. It was a very good quality text book and had tons of information about Alabama History in it. I did get online and find projects and crafts to go with the different topics so that we wouldn't just be reading page after page of information. The kids enjoyed to pictures included in the book and it helped us discuss topics further

This has helped to work with my fourth grader and keep her on track.

Very pleased with the condition and price.

Arrived in good order. Well pleased.

Item was as described and shipped promptly.
