Customer Reviews

very good

nice read

Great!

5-star rating is for the quick delivery. Book rating would be 4-star based on my 11 year old son's interest in the book. Good historical information, quick read with pictures throughout. We purchased the book along with an audio version of it to follow along.

Amazing book with details left and right. I like how it has people who were in the Fire and survived words in it

My 10 year old son did his book report and project on this book! He loved it and it was greatly informative!

My great nieces loved this book! Read after visiting Chicago...

Great, love this author
