I rarely write reviews, like never, I think I reviewed one thing once like a long time ago.... I HAD to write a review for this book. It is AMAZING! I've been looking for a good art/Bible journaling book and everything I've bought so far has been a huge disappointment. Until today, I received this in the mail today and I haven't been able to put it down. I got my journal out and have all my art supplies spread all over! You really can just open this book and start creating immediately. So much helpful information and new ideas to add to your own creativity. It's a MUST HAVE!! Happy Journaling!

I have never done any Bible journaling, but I recently became interested in giving it a try - the problem was, I didn't know where to begin. I found this fabulous book on - "Complete Guide to Bible Journaling: Creative Techniques to Express Your Faith" by Joanne Fink & Regina Yoder. Truly, this is an amazing reference book - \$13.38 and Prime Shipping and in 48 hours you are ready to begin. There are six sections: Getting Started (which tells you how to begin and helps you choose the kind of Bible to use); Tools and Techniques (12 different techniques, including page prep); Artist Profiles (a few pages telling the story and showing examples of the styles of each of the women, including the "founder" of this, Shanna Noel); a Gallery (shows examples out of the Bible, in the Bible and different styles); Resources and Index (gives artist websites, various social media groups, including Facebook and Instagram); and at the very end a Bonus section with tabs, stickers, traceable patterns and more. I have long admired Joanne Fink's lettering style; she is not only instructional but inspirational. This is the most complete book on the subject that I could imagine. For those who would ask "Why Bible Journal?" the best answer is found on Valerie Sjodin's profile pages "it's this experience of meetings, between God and self and between word and image, that makes Bible Journaling irresistible..." There are also constant reminders to find your own method of expression, your own personal style and the images in this book are very helpful in showing me what I like and what I don't like. Now it's time to pick a verse, spend some time with God through it and see where that journey takes me. To me, Bible Journaling is a way to spend more time with God and deepen my faith. I recommend trying this excellent book for yourself - something inside it will send you off on your own creative discovery; I promise.

I'm so excited to receive my Complete Guide to Bible Journaling! It's an amazing book that should you techniques to make your Bible beautifully customized. I can't wait to get started.

Summary and review of the new published book on Bible Journaling by Joanne Fink and Regina Yoder: "Complete Guide to Bible Journaling, Creative Techniques to express your Faith" I am amazed by the caliber of talent brought together in this book. People we "know" from YouTube and from Facebook groups, artists we greatly admire for their talents and their generosity in sharing their talents and knowledge with us. The book has 128 pages, and an additional 24 pages with more than 150 designs, 270 colored stickers, and 60 designs printed on translucent vellum. The designs can be used "as is", or can be traced, used as Bible margin art, or as bookmarks. The four main sections: 1. techniques 2. artist profiles 3. artist gallery for inspiration 4. bonus section with traceable and ready-to-use designs. The introduction explains to the reader what Bible Journaling is and covers the three main forms of Bible Journaling; journaling in the Bible margins, journaling "all over" the Bible (covering text and whole pages), and journaling outside of the Bible (in a sketchbook, notebook, Devotional). The introduction also discusses ways of how to get started and has helpful hints on choosing a Bible. The Techniques section covers techniques such as tracing, drawing, patterning. Page preparation and making a background with ink pads is covered as is the use of stencils, watercolors, acrylic paint, washi tape, stickers, die cuts, and rubber stamps. Samples are given for lettering and different layout techniques are explained. The artist profile section includes: Shanna Noel, Karla Dornacher, Valerie Sjodin, Sephra Travers, Valerie Wieners-Massie, Rebecca Rios, Tai Bender, Krista Hamrick, Jennifer Rydin, Rebekah R Jones, Christina Lowery. I am not new to Bible journaling but I still bought this book. I am SO glad I did! It is full of ideas and great reading about others who journal. The book is thick and beautifully done!! Buy it you won't be sorry.

Well worth the money for the lettering tutorials, the traceable art, the stickers, and the tabs in the back of the book. It also contains information on how to choose a bible, how to choose your media,

and how to prep pages. Plus, there is a section on websites and YouTube artist tutorials. For those of us who are artists in the making, this book is definitely a must have.

I was so thrilled to receive this book. I not only purchased one but I purchased 2. I bought 2 because my sister is into Bible Journaling and even though I have many supplies. I do not have all the ideas and this book is full of them. I cannot say anymore about it except for AWESOME!!! If you love Bible journaling or it has peaked your interest? This is the book to use, along with your Bible or Creative journaling.
