Customer Reviews

this map is excellant especially for finding streets and showing the entire city of albuquerque as well as rio rancho.its a very good map to use to locate any destination in the albuquerque metro area. it's just as good as an atlas butmuch lighter and much more compact.

It is very limited in its' scope. It shows only a very limited area and is not very detailed. No suburbs.

This will help on our trip in the fall. It is everything we expected and are very pleased with our purchase
