Behind My Eyes: Thoughts Of The Average Teen: Thoughts Of The Average Teen

Synopsis

Hi, my name is Allison Higgins, I am 14. This book is my thoughts. My raw, out of context thoughts. it's kind of personal philosophy, and opinions and beautiful thoughts. This is an idea of how my mind works, and It's quite complicated, I suppose. These thoughts are from a real person, a real teen, unaltered, and kinda weird. (All proceeds go to my college fund, and vending machine snacking fund)

Customer Reviews

I am 14, I go to the School of Innovation, this is my first book. I look forward to publishing more. I have a cat, a mom, dad, brother, and sister. I also have a lot of friends and a tumble blog. I think raw thoughts are important to share, to keep them from echoing. I don't think I'm special because of this. I mean, any one can publish a book with a little motivation.

This book took me back to the time I was a teenager. Some of her thoughts remind me of me and others do not. It is great for a young teen to record her own book.
