Picture Perfect: Mowing Techniques For Lawns, Landscapes, And Sports

Synopsis

"Some artists use canvas to create a work of art. David Mellor uses a baseball field. His patterns are so precise and imaginative, I call him the Rembrandt of groundskeeping." --Bob Uecker, Milwaukee Brewers Broadcaster

Now you can transform your sports field or clubhouse lawn into an envy-grabbing work of optic art. In this book, David Mellor shares the turf mowing and maintenance secrets that have made him one of the leading creators of elaborate patterns used on athletic turf nationwide. Articles about Mellor's work have been published in the New York Times and USA Today, and he is currently the director of grounds for the Boston Red Sox Baseball Club. In *Picture Perfect*, Mellor gives you the benefit of his years of experience along with simple-to-use techniques for creating playing fields that are without doubt a cut above the rest.

Customer Reviews

"I had the privilege of working with David Mellor for many years and he is one of the most resourceful and creative people in his field. His work is extraordinary and he is one of the finest young men I know." —•Allan H. (Bud) Selig, Commissioner of Baseball "David is the perfect guy for a *Picture Perfect* book. His work at County Stadium was always tremendously appreciated by the players, home, and visitors alike." —•Paul Molitor "Some artists use canvas to create a work of art. David Mellor uses a baseball field. His patterns are so precise and imaginative, I call him the Rembrandt of groundskeeping. He's a cut above the rest." —•Bob Uecker, Milwaukee Brewers Broadcaster "With Milwaukee's constantly changing weather, the art of taking care of the playing field at County Stadium had to be one of the most challenging. David was able to create a

masterpiece regardless of these conditions." – Robin Yount

David Mellor is currently the Director of Grounds for the Boston Red Sox Baseball Club and a consultant to the Simplicity company. He is one of the leading creators of elaborate patterns used on athletic turf nationwide. Articles about his work have been published in the New York Times, USA Today, and he has appeared on numerous television and radio programs. In *Picture Perfect*, David gives you his years of experience and simple-to-use techniques, so you can make your lawn or sports field the envy of your neighbors and colleagues.

My clients are more than impressed with the designs our crews can pull off because of this book. I do a few little league fields here in the Pittsburgh area and they always ask us back when the families and patrons of their games comment on our work. Great book if you are looking to take it to another level...

If ya want to make patterns on grass then this reading applies.....not much more though.

Everything was as expected

I got this as a present for my husband. He loves this book, and I can't wait for him to try out the techniques on our vast lawn

Great book for anyone wanting to better understand how to make a lawn look its best.

Good informative book. I wish there were more patterns and instructions, but what there is for instructions does lead to some pretty sweet patterns.

Excellent book! The Story of David Mellor and his techniques are great. Awesome book for that give a crap about their lawncare and ballfields.

It was an interesting read
