Mark Jenkins is the coauthor of *The Sports Medicine Bible* and *Sportswise: An Essential Guide for Young Athletes, Parents, and Coaches*. He lives on the island of Martha's Vineyard off the coast of Cape Cod, Massachusetts.

This book provides a brief overview of hepatitis C, utilizing the spiritual principles of Alcoholics Anonymous for managing hepatitis C in one's daily life. I admire the author's approach, offering

readers practical, medical, and spiritual guidance for how to live with hepatitis C. The treatment information is outdated, but the message and tools are timeless.
