## Customer Reviews

I bought this for my daughter who is our piano player. She is at an intermediate level and did not find the music too difficult for her. The book itself is nice, with color photos from the movie. She is very happy with it.

This is a great book to have if you want to play the songs from the movie. It contains all of the music in the Polar Express movie, except for White Christmas (I don't know why this song is missing, maybe the publisher couldn't work something out with Irving Berlin's estate).

I would recommend this to anyone who likes this type of music, with photos, etc. it's great! Expect great joy

Really enjoyed this last Christmas season. I'm about intermediate level player and was able to play

most selections, a few need more attention so hope to be ready by this season. Arrangements are very nice.

I didn't realize I ordered pictures until I have received it. I am looking for the CD ( soundtrack ) for the Polar Express.

The book is very true to the soundtrack. The arrangements are not too difficult and are in easy keys. My two sons sang "When Christmas Comes to Town" at several family Christmas parties. It was always a big hit.

This movie is one that is wonderful for young and old alike. The animation is amazing and wonderful. Tom Hank telling the story is captivating. This is movie that will be around for years to come. Looking forward to sharing it with my grandchildren. The story it tells is one that all should remember. It may even make you Believe again like you did when you were a child!

This will be that special song book my kids will remember growing up with. It has several pictures from the film in the front of the book and it includes all of the favorite and catchy tunes from the film. Love it!!
