Customer Reviews

Reading Steve's book makes you feel like you are in Rio. It gets you excited to actually go there and

experience the place and the people. Best book of its genre I have ever read.

I think that the author provided an excellent guide to traveling in Rio De Janeiro. I also think Steve Love gave some useful pointers on how to meet women, learning the language (a few Portuguese phrases) and to possibly make a living there. By the way I like the beautiful woman on the cover!!!

I like it so much!
