San Francisco-born artist Kaffe Fassett is a name every quilter knows. His work has been commissioned by the British monarchy, American fashion designers, and the Royal Shakespeare Company. More than a decade ago, Fassett partnered with Rowan to create the Kaffe Fassett

Collections, which debuts new fabrics each fall. He has written numerous quilt best-sellers including Heritage Quilts, Kaffe Quilts Again, Kaffe Fassett: Dreaming in Color, an autobiography, and Kaffe Fassett's Quilt Romance.

I like Kaffe Fassett quilts, and this book has many beautiful ones. I don't make copies, but I like to look at his quilts for ideas. They are really bright and colorful. If you want to replicate the quilts in the book, many of the fabrics will be out of print. However you can easily substitute similar ones from other Kaffe lines.

Even if you don't quilt, you will enjoy just looking at this colorful book. It inspires by the juxtaposition of colors, sizes of prints and overall design. I own all his books, and I enjoy the inspiration I receive every time I open his books.

This one is the nicest of Kaffe's quilting books yet so far. There are 20 quilt designs for all levels of technical ability and they all use Kaffe's fabrics in spectacular ways. The photography and printing quality of the book allow this to be one of the most functionally usable quilt books I own. I am again inspired to take up my rotary cutting wheel and start piecing. The graphics and instructions are clear and well diagrammed. I wouldn't have changed a thing.

Kaffe Fassett's choice of colors are so beautiful. I want to make all the quilts with his designs. My favorite color choice would be either red or blue. I bought some fabric with very large fish which will be the backing of one of my quilts. I can hardly wait to finish.

If you enjoy color and surprises with fabric combinations, this book is a great starting point for all fabric artists..

Great Book. Inspirational.

I have spent a great deal of time just looking at the beautiful quilts and have decided which one I will make first.

LOVE HIS BOOKS AND PATTERNS INCLUDED...
