The Movie Book (Big Ideas Simply Explained)

Synopsis

The Movie Book, the latest in DK's award-winning Big Ideas Simply Explained series, profiles 100 of the best movies ever made throughout the world. From classic 1930s film noir and Hollywood romance to international art-house and 21st-century sci-fi, The Movie Book brings the world's most influential films to life with its illustrative design. Unforgettable quotes, film stills, and original posters and memorabilia transport you to the world of each film, while narrative timelines and infographics explore central themes, characters, actors, and directors. Relive classics of the silent era, such as Nosferatu, along with wartime greats like Casablanca, transformative New Wave films such as Lawrence of Arabia and Easy Rider, and modern masterpieces like Do the Right Thing, City of God, and Gravity. Each movie is placed in the broader context of the industry and its key players, making it an invaluable resource for any film fanatic. The Movie Book zooms in on the best cinematic masterpieces of all time and is a must-have for anyone with a passion for films and the history of cinema. Big Ideas Simply Explained series uses creative design and innovative graphics, along with straightforward and engaging writing, to make complex subjects easier to understand. These award-winning books provide just the information needed for students, families, or anyone interested in concise, thought-provoking refreshers on a single subject.

Customer Reviews

"[The Big Ideas Simply Explained books] are beautifully illustrated with shadow-like cartoons that break down even the most difficult concepts so they are easier to grasp. These step-by-step

diagrams are an incredibly clever learning device to include, especially for visual learners." â " Examiner.com"Clever and engaging" â " Booklist"Perfect coffee table fodder for your home theater." â " Uncrate.com"[A] great refresher for films you haven't seen in a while and an even better resource for populating your watchlist with shows you may have missed." â " GeekDad"Richly illustrated." â " Parade.com"A fine introduction for budding film buffs." â " School Library Journal"A wonderful contribution to film history collections." â " Voice of Youth Advocates

Really just a brief summary of a number of movies, very useful as a "movies to watch" list but not very useful - or intended to be - as an in depth exploration of cinema.

This book series is very interesting. This is why I bought the movie version as a Christmas gift. Unfortunately this specific book gives little more than general information about each movie. I guess I was expecting more

Wonderfully written book. Bought it for a friend who doesn't know much about movies but it on a city board of cinema. She thought it was great and comprehensive.

Picked this up when I was going through the books offered by Book Bud. Read it right away. Very interesting.

GOOD BOOK FOR MOVIE LOVERS.

It is gift for movie buff , I am sure he will love it . lots of detail .

thank you very much. excellent.

Good but not great.
