Great

The book is actually for my grandson for his 15th birthday next month so he does not have it yet. However, I read a little bit of it and enjoyed it. My grandson is an avid Boston Bruins fan and someday hopes to play with the team so I know positively he will love the book.

The book was very informational about the history of the Bruins. Fun read with some interesting stories.

Great read, enjoyed reminiscing and learning some new facts.

This is a gift, but the book looks like a great read and I'm sure the recipient will love it.

great book
