Yaoi Adult Coloring Book: Manga And Anime Boys Hentai Inspired Adult Coloring Book (Coloring Book For Adults)

Synopsis

Yaoi in Japan, is a Japanese genre of fictional media focusing on romantic or sexual relationships between male characters, typically aimed at a female audience and usually created by female authors. Although yaoi is typically aimed at a female audience, the genre also attracts male readers; however, manga aimed at a gay male audience (bara) is considered a separate genre. The main characters in yaoi usually conform to the formula of the seme (the "top", or dominant figure) who pursues the uke (the "bottom", or passive figure). Material classified as yaoi typically depicts gay relationships between male characters and may include homoerotic content. Although the yaoi genre is also called Boys' Love (commonly abbreviated as BL), the characters may be of any age above puberty, including adults. Works featuring prepubescent boys are labelled shotacon and seen as a distinct genre.

Customer Reviews

I was so excited to get this but when I looked through it, I was a little disappointed. The pictures were poor quality. I had to go through and touch every picture up with pencil so I could tell what I was coloring. some pictures dont even look like yaoi. I give it a 2 stars because it got to me on time and was in great condition but the overall contents was a disappointment.
