In this final installment of the highly anticipated Black Mafia series. Corleone, Lucci, and Dominic will have to choose which family means more to them. Customer Reviews

Wow what can I say. This is a really great

Series. With that being said. I rate this book with 5 Stars and 10 thumbs up. All I can say is. I hate to see them go. It's was a really great Series. I could read them forever. But once again I say thank you. For feeding my mind. Until next time. I'm so looking forward to it.

This book was good. I like how the Demonte brother's stood up to they mother. They wife's was strong enough to deal with all the lies,cheating and killing. Being greedy for money will lead you in jail just like it did Donatella.

I loved all of the plots...the brothers stuck together. I liked all of the couples and I'm glad they stuck it out. Corleone was smart to get out when he did. Thus was a very good series...I love all of your books

I'm glad they got grandma and if was the girls i would never say anything to their mother again she was just crazy but I'm happy Dominic came out everything

As usual great job I loved the ending and I'm happy everything worked out for everyone can't wait for the new series looks to good

I'm mad that Mirah ass was bitter. I loved how everything came together. I'm glad that the man found their way out.
