• Chicago Tribune "The best option | Color photos, maps, and diagrams bring the place to life." • The Philadelphia Inquirer

Awesome work as usual for this author. Enjoyed it so well I made a gift of my copy to a friend traveler and ordered another for myself. The intra-country travel is very useful and the money explanation, the phrase guide, maps and miscellaneous tips are priceless. This is what you expect from a travel writer. Great work to carry with you.

Very well organized. The pull-out map in the back of the book is terrific the way each section is laid out it's easy to read and to find a different sites. The book is a bit heavy to Lug around with you while you were walking but you should Mark the map and all the things are they easy

the best

Great Item

Like it better than Lonely Planet- I love the layout as well as the pictures and maps.

THESE GUIDES (DK) ARE THE BEST!

Very informative.

The best and most detailed travel guide for Vienna out there. The DK Eyewitness guides rule. The others are pathetic in comparison
