## Customer Reviews

Ricki Lewis has built an eclectic career in communicating the excitement of genetics.

Worked perfectly. Cheaper cost.

My first time using connect Access. It is just ok, but you cannot see your scores immediately or when you want to change an answer

will buy next time . send it to my teacher as a gift, very good seller . I have bought several Bread products recently as I have started to make homemade bread. This product was reasonably priced and does an excellent job slicing our bread thick or thin. A buyer should not be fearful that this product is below par - very good product at a good price! Don't be afraid, just order the product and enjoy your bread. fast and in time,

Access card worked perfectly! So glad I was able to get it for this price! Great deal for students on a budget!!(The picture shows the card, it was completely un-scratched when it arrived)
