Messages From A Wonderful Afterlife: Signs Loved Ones Send From Beyond

Synopsis

Your Loved Ones Want You to Know that **You Are Loved and They Are at Peace in the Afterlife**

Expanding on her previous book, *It's a Wonderful Afterlife*, psychic medium Kristy Robinett shares more personal experiences and stories from clients of how our loved ones—including treasured pets—are communicating from the other side. This heartwarming book teaches you how to identify “heaven hellos” from those in the afterlife and interpret the different signs and symbols that often appear, such as: Finding coins or feathers • Feeling an invisible touch or shiver down your spine • Seeing a shadow out of the corner of your eye • Smelling a familiar scent • Hearing your deceased loved one's voice • Being visited by a special animal or insect

Messages from a Wonderful Afterlife also provides advice on taking care of yourself while you're grieving and supporting others through times of hardship. With Kristy's guidance, you'll become more aware of your loved ones in spirit and be assured that they're always with you.

Customer Reviews

Kristy Robinett (Michigan) is a revolutionary psychic medium, international author, and inspirational speaker. In addition to giving readings and teaching workshops, she uses her psychic skills to assist with police investigations. Kristy lectures across the country and is a frequent media commentator, appearing on the ID Channel's *Restless Souls*, Fox News, ABC News, Coast to Coast, and more. Kristy Robinett is also the author of several books,

including *Tails from the Afterlife: Stories of Signs, Messages, and Inspiration from your Companion Animals* (Llewellyn, March 2018); *Messages From a Wonderful Afterlife: Signs Loved Ones Send from Beyond*; *It's a Wonderful Afterlife: Inspiring True Stories from a Psychic Medium*; *Forevermore: Guided in Spirit by Edgar Allan Poe*; *Messenger Between Worlds: True Stories from a Psychic Medium*; *Higher Intuitions Oracle*; *Ghosts of Southeast Michigan*; and *Michigan's Haunted Legends and Lore*. Visit her online at KristyRobinett.com.

Excellent book for one who needs some reassurance. I read this book two weeks before a sudden death in our family and I was stunned as to different things that happened to show us that our loved one still watches. Thank you so much!

This book, like the first one, *It's A Wonderful Afterlife*, gives hope and some healing for those who are grieving. Kristy's books are written so you feel as if she is talking to you. I loved this new one and found it to be one of my favorites. The signs our love ones send are all around us, we just have to open our eyes. Kristy helps you to do that! Highly recommend you read it. Buy two and share with a friend.

Believe because it's true. You just need to be aware of the signs around you. Wonderful book. Can't wait for the next installment!

I purchase all of Kristy books! She is an amazing author and person. Her books will give you a sense of inner peace, joy and a true belief in the afterlife.

Messages From a Wonderful Afterlife is an enlightening and fascinating read. In this book, the reader discovers some possible signs that a deceased loved one may use to send a message. Kristy Robinett talks about her own life, and experiences, as well as giving the reader; a peek into some of the sessions that she's had with her clients. I found the author's words encouraging and positive. The stories in the book demonstrate how comforting connecting with a deceased relative can be. Death is a difficult subject to talk and read about. But, Kristy Robinett's message is clear, there is an afterlife, and it is wonderful! *Messages From a Wonderful Afterlife* is an easy to read, well-written, and informative book. Thank you, Llewellyn Publications and NetGalley for my advanced review copy.

The author of this book is a medium and has always been able to see and communicate with the dead. Here, she shares her own experiences with losing a loved one and how all of us react to the same. This book consists of short vignettes showing how people have seen others waiting for them on the other side just before they passed away. The author also writes about some of her clients who have sought her out to help them find closure with the loss of a loved one. Everyone has an opinion as to whether or not they believe in this and the author is not out to convert readers one way or another. However you believe, it is certainly interesting to read about these instances. I voluntarily reviewed an Advanced Reader Copy of this book.

Reading this book is like having a conversation with the author. Kristy Robinett explains her psychic abilities and how our loved ones try to communicate with us after death. Communication is a two way street, death just makes it trickier. This book answered many of my questions about signs from those that have crossed over, and was well worth the purchase price.

Another amazing read by Kristy. I love the stories, & how she shares pieces of her life with the reader. I recommend this book to anyone that is grieving a loss, or for those that are simply curious. I gave this book 5 stars, because I had a hard time putting it down. If I didn't have 2 small children to tend to, I would have finished it the first day instead of the 3 days it took me. The chapters aren't long and drawn out, & the stories were to the point with just enough background information. The words flow well, & I found myself so enthralled that I did not have to reread portions for understanding as I normally do when I read. Amazing book. Amazing author. Highly recommended!!
