These crossword puzzle books are a bit hard for me at the moment. Purchased several at different

levels. I am new at this so will set aside the hard books and hopefully I will work my way up and be able to handle in the future.

For the daily crossword puzzle fix these books are great to handle with plenty of puzzles.

it was a gift for someone who enjoys crossword puzzles

i,m an addict, hate running out of WEDNESDAY TO FRIDAY puzzles. This is the ticket, i bought three of them, up to #8 or #9 i think. Most are very good, very few suck. is the way to buy them, used to make a trip to B&N for three times the price

I really enjoy the challenging puzzles in the Simon & Schuster mega books

I have purchased Simon and Schuster crossword puzzles and the mega crossword book with 300 puzzles beats the price for any crossword book I have seen. The puzzles tear out making it easy to work them any place. Some clues are repeated but mostly they are original and up to date. I like the answers in the back in case I get stuck and really want to know what word I missed. I am now on Book #7 and expect to order the next issues when they are available.

This is probably the 7th or 8th Simon & Schuster crossword book I have purchased. They are simply the best. The perforated sheets, which can be removed and used with a clipboard, are the only way to go. I do not know why every crossword book doesn't have this feature. Some of the puzzles in this edition are a little more challenging, but others are easier. I am very pleased and highly recommend it.
