Each day of devotions were very uplifting. Beth More has a very unique way of expressing herself.

You can't go wrong with Beth Moore. This CD was priced really low so I was surprised that it was packed with some powerful devotions. Her studies will change your life.....if not this one, just buy something she offers and you won't be disappointed.

Of course I love it. You will too, if you like her on tv.

Anything Beth Moore is awesome.

Love the teaching on this CD. I put it in my CD alarm clock and set the alarm a little early! A great way to wake up to a encouraging word! I highly recommend getting this CD!

These devotions are perfect for listening to in the car on your morning commute. As usual, Beth Moore is insightful & articulate. They are short devotions, so don't order expecting an in-depth study, but if short is what you're looking for, this is perfect!

Sorry but I found the cd hard to listen to. Maybe I am just not used to Beth's accent. Maybe I found her way of putting her message over a bit frantic. Whatever it was I didn't enjoy the cd at all.

Very funny, insightful and motivating!
