Claiming The Princess: A Lesbian BDSM Fairytale

Synopsis

Princess Brenna never wanted a handsome prince. In fact, she never wanted anyone at all. But then she was taken by the most villainous and wicked Queen in all the lands. And if she doesn't escape from her soon, she may lose more than her boor of a fiancée and her reputation. She might lose more than her virginity and her pride. If she's not careful, Princess Brenna might just lose her heart too. This is an explicit lesbian fairytale filled with tears, dubious consent, and a Queen so cruel she makes Maleficent look like a good fairy.

Customer Reviews

This was a really good story. I would love to read more from this author. The characters really jumped off the page and came to life for me. The only negative is the story was too short would love to have a part two.

Enjoyed this fairytale very much! Highly recommend this. If you like reading F/F BDSM, then you'll

love it. Loved it.

Def great writing, solid imagery. Not into the anal aspect, but that's just my preference. Overall, fun and quick! Worth the time.
