Customer Reviews

The Call continues the message introduced in *The Final Quest* that challenged Christians around the world to begin living the truth which they have been entrusted with. The Call is a call to life, a call to love in the unprecedented glory of the Son of God, a call to sacrifice, and to do all things for the sake of the gospel. The darkness will soon be over, and the day of our Lord will dawn. Now is the time for us to take a stand against the great darkness of our time for the sake of the Light who is greater and is surely coming, for it is written: "And it shall be in the last days," God says, "that I will pour forth of My Spirit upon all mankind; and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams; even upon My bondslaves, both men and women, I will in those days pour forth of My Spirit and they shall prophesy" (Acts 2:17-18) The "last days" are here. These are the days of dreams, visions, and prophecy for the young and old, the sons and the daughters, the days that the great saints of old longed to see and in which we are privileged to live. This book is a call to seize an unprecedented opportunity and to live in a manner worthy of . . . The Call --This text refers to the Audio CD edition.

Rick Joyner is the founder and executive director of Morning Star Publications and Ministries in Charlotte, North Carolina. He has written more than a dozen books, including "The Harvest, There Were Two Trees in the Garden", and the bestsellers "The Call", and "The Final Quest". He lives in North Carolina with his wife, Julie, and their four children.

This series is very helpful for understanding today's battles, and the need to get serious or be casualties; so, it's the pain of fighting, or they pain of being mowed down. Many people counseled Rick to make these visions into an allegory, but I appreciate so much that he has chosen to just relay them as faithfully as he could. (Thank you, Rick!) In Joel 2:28, God says that in the last days, he will pour out prophecies, dreams, and visions on us. We have to test them by making sure they align with scripture, and listening to what the Holy Spirit says about them, but we ignore the visions that God gives us at great peril to us and our loved ones. God provides visions in these days because we NEED them. I have found absolutely nothing in these visions that in any way contradicts scripture, but they rather seem to either confirm or open my eyes to what I already knew or sensed, so I find this to be true prophecy which edifies the church. There are so many battles today, and these visions help us by clarifying what is really going on, for the Father of Lies is working overtime, but the Father of Love and His Son are stronger and have already won the war. Praise Christ!

You may read a book and recommend it to others as "the best book I've read for a long time" and out of politeness they read the first two chapters, put it down and not share your same enthusiasm. Maybe it just wasn't the right time for them to read it. But for me reading this trilogy has been a gift from Heaven above. Others may wage in on the theological and doctrinal debates - whether these writings are inspired or misleading. I am personally satisfied with it's consistency and alignment with the scriptures (note: my personal opinion - so not open to debate). Each person must judge for themselves and weigh up from their own understanding of the scriptures and the nature and character of God. As for me - it is one of the most inspired works I have ever encountered. If an angel had descended from heaven and placed the book in my own hands - it wouldn't have added any more to the great encouragement that I have received through reading Rick Joyner's writings. As it turns out the angel delivered the book via Kindle - which works fine for me :-)

This book is a vision that came to Rick Joyner in the mid 90's. But as I read it, I could see that it was really a prophetic word for the time in which we live. Much of his vision is being fulfilled right now. I

love the way the message of this vision can be found in the Bible. It gives clarity to what God is saying in his Word.

A must read, if you are looking to go deep in God, buy these series. You will learn so much about h His realm, as well as hear His voice! Buy with confidence the whole series, these books will draw you closer to the Lord!

This book is as good as its predecessor. Hard to explain, but I believe that Christians would benefit from reading these books.

This entire series has been eye opening. To read and to be able to feel the Lord's love for his children and for the world is life altering. It has broken down walls that I had of a pre-conceived notion of what God wanted or expected from those serving him. It gets right to the heart of need to be aware of our prideful or selfish ambitions. This entire series has reminded me of the importance to keep my focus on the Lord and to stay rooted in His Word and close to Him always.

After reading "The Final Quest", I knew this book would be awesome.....and it was!!! I could not put it down, it was so captivating and encouraging. I just started "The Torch and The Sword" (the 3rd of the trilogy), and it's just as good!

I like the story line, but I'm not 'over the top' with it.
