# 365 Days Of Gratitude: Photos From A Beautiful World

## Synopsis

“When I looked for beauty every day, I found it. Large or small, I found it. And—in far fewer than 365 days—it hit me at a very deep level that we live in an astonishingly beautiful world. The more we focus on the beauty in the world, the more we live in a beautiful world.”  
—Catherine Ryan Hyde

## Customer Reviews

From bee on a flower to photos from distant lands Catherine Ryan Hyde has done a great service

sharing her book *365 Days of Gratitude*. Her photos show nature: sunrise, sunset and in between, trees, flowers, birds, butterflies, insects, animals all kinds, sky, clouds, mountains, and more. In words, she tells what they mean to her. Some words cannot express the beauty you will see. Trails hiked, paths walked. All show life's beauty we sometimes neglect to see. Even her friends, Jordan and Ella who give her so much joy, make this book full of love for life. From rising sun to rising moon, humming bird to vulture, lets you see the in between. She's not only a wonderful writer of the word, but through her eyes you will see a beautiful world. Mine started years ago with a butterfly. So I was happy to see many Flutterby's among Hyde's photographs. Take a moment and spend time in this book. It may start you on your own journey seeing a beautiful world. Your-Gratitude's. Even on my small black and white Kindle I was able to see the beauty. I saw the yellow swallowtail and it took my breath away. I'd love to see this book in large full color book on coffee tables.

I LOVE this book! I start every day sitting in my recliner with a cup of hot, black, coffee. I open my kindle to the chronological calendar gratitude day and begin to set the tone for the rest of my day. I love seeing the world through Catherine's eyes and learning from her daily observations and gratitude. This is my third year of doing this daily exercise, and each year I discover something new.

My intention was to read one "gratitude" each day of the year. In reality, I read through the book in about a week - just couldn't discipline myself to stop with one page! the photos were great and the simple appreciation of all that life and nature has to offer were inspiring. So inspiring, in fact, that I began my own "365 days of gratitude" and have noticed others doing the same...if imitation is the best form of flattery, Catherine Ryan Hyde, be flattered!

I read several daily devotional readings--but on this one,.. I enjoy "seeing" the devotional in picture form. Wonderful!

I've been expressing my gratitude at the end of the day for years now, but never thought to record at least some of them in photos. Catherine's pictures will continue to inspire me to focus my vision at the unexpected beauty around me. Thanks, Catherine!!

A very nice surprise as reading 365Days of Gratitude, is that I discovered you can enlarge each

picture ( thumb and finger)

Id like to have it in color.. Would be a keepsake

Love Catherine Ryan Hyde different kind of book nice photos nice to see the world through the eyes of a great author
