## Customer Reviews

More lasagna recipes than I'll ever use. Not sure about the Canadian Moose recipe. I just wish it was in print form.

Too many different ways - thought they would be more traditional recipes

came as ordered

A great specialty lasagne book. Recipes are tasty and easy to prepare. Very nice!

Good chicken lasagna

I love lasagna and this is tight up my alley. Great recipes

Lasagna is one of my families favorite dishes, but sometimes I get bored with the traditional version. This book is filled with more ideas that can be easily whipped up.

I love Lasagna and so far each recipe I have tried is wonderful. There are some I will not try since I am not into some of the ingredients but over all there are enough to let me have Lasagna ever week without getting bored.
