# **No More Secrets, No More Lies: A Handbook To Starseed Awakening (Sirian Revelations)**

## Synopsis

Building on the historical perspective that characterized the previous book in the trilogy, *Atlantis Rising*, this final volume asks readers to remember that when they decided to come to this earth adventure... blowing down the Establishment Walls would be a Herculean task. • But, she adds, "Fall they would indeed." • Hastening this necessary next step in evolution to higher being, says author Patricia Cori, requires understanding the forces at work and how to challenge and conquer them. *No More Secrets, No More Lies* unmask the lies that have been employed to disempower the human race, while illuminating the tools necessary for those who intend to ascend with a revitalized Planet Earth. Intended as a guide for overcoming the designs of the dark warriors, and a blueprint for achieving the absolute freedom that is our true birthright as the super race of the realm, this provocative book brilliantly integrates into a larger schema such issues as media manipulation, racism, dark forces, crop circles, our food and water, and imminent extraterrestrial contacts, with the cosmic unfolding of human awareness and the evolutionary activation of our complex DNA codes "our blueprint to immortality.

## Customer Reviews

"Patricia Cori has channeled some extraordinary text for humankind and its Spiritual Awakening. Her trilogy of the Sirian Revelations is truly illuminating, at the doorstep of Gaia's Golden Age | Cosmic Knowledge has been handed over via the Hopi Indian Culture. In the form of the Hopi

Peace Prophecy, it has survived the centuries, and through Patricia Cori, is now revitalized as a Spiritual Awakening for our decade ahead.ââOve SvidÃ©n, President, World Peace FoundationâIn these times of twisted jihadist stories, false flag events, and excessive warmongering, required classroom reading should include such books as No More Secrets, No More Lies by Patricia Cori.ââSanta Fe New MexicanâWithout question, the most interesting and best written book of any I have read in its genre.ââNexus Magazine, Italy edition "This may be my favorite book...[No More Secrets, No More Lies] asks us to reclaim our birthright of absolute liberation as unparalleled spiritual beings within our realm of existence."ââStarseed ShamanâThe Sirian Revelationsâa series of books based on higher dimensional teachings, as given by the Speakers of the Sirian High Council, channeled through Patricia Cori, challenge our predominate worldview, revealing our true origins and empowering us to make conscious choices in our ever evolving and often baffling world. Meticulously detailed throughout, the series sheds new light on the historical timeline and offers concrete guidance for âstarseed awakening.â<sup>TM</sup> Excellent, well-written masterpiece, and highly recommended.ââKathy Doore, author of Markawasi: Peru's Inexplicable Stone ForestâThis material is extraordinary... It is clear the Council, through the channel, Patricia Cori, are absolutely attuned to our experience on earth.ââMarcia McMahon Mastroddi, Peaceful Planet Radio"Patricia Cori is a tremendous gift to us all. She has honoured the call of her Soul, and walks as an example of one dedicated to service of the awakening human spirit. Her multidimensional agility in conversation, grounded in her rich personal life experience, offered such sweet music for the dance we shared with all of the listeners, and more to come, who will enjoy the archives. Many thanks to you, Patricia, for your courage and for choosing to be with us all at this time." âDJamil Graham, Alchemy of Light Broadcast, BBSRadio.com"Patricia and her Sirian contacts are one of the most inspiring sources available during this time of shifting potentials and human evolution."ââSteve Crow, Soul Adventure TV"Patricia Cori is one of the most fascinating, charismatic, articulate, knowledgeable and intriguing guests I ever had on The Paranormal Show. I was so captivated by Patricia that the hour interview passed by like a flash of light. When the folks in the control room at the TV station gave me the instructions in my earpiece to wind down the show as we were nearing the end of it, I had to look at my watch to validate that I was being given the correct message. She is a class act, both on the inside and the outside. Needless-to-say, Patricia will be a welcome guest on my show whenever her travels take her to Canada."ââStan Mallow, Host,ÂThe Paranormal ShowPatricia Cori is a prolific author who has a lot of insight about many things..."âDr. Gregory A. Smith, KABC Radio, Los Angeles

This, the third book of the trilogy, the Sirian Revelations, is information that is of the utmost relevance to this difficult moment in the human experience. If you are struggling to understand why current events are playing out as they are in the global theater or puzzled over the future of humankind and our great planet, it will help you put the pieces together, to find your answers and empower you to act upon them. It is a revealer of the secrets held by the dark forces, while it is a celebration of the light that shines from the human race, as we move through our fear and hopelessness and reclaim the power, paving the way for our clear passage through the desert days...into the light. There is no room for fear now. There is no room for rage - useless emotions that hold us in servitude to those who wish to control the human race. Are you ready to lift the veil forever? --This text refers to an alternate Paperback edition.

I was in the process of reading "The Cosmos of Soul: A Wakeup Call For Humanity" when I arrived in Sedona. I believe this book along with a visit to one of the sacred vortex sites, facilitated a deep level initiation. I find that nothing is the same, and there is no such thing as coincidences, look all around you and you do indeed find that the matrix is rapidly disintegrating, unless you are one of the few left that is stuck to your teevee watching Faux News....sorry folks I HAD to give you up and yes, there really are no more secrets, no more lies....not that any of the ever increasing numbers of awakened are going to buy into any more....so if you are one who has found your way to this series of books....welcome home, you are not dreaming and this is not a coincidence. Thank you Patricia Cori for your service to the Light ....Namaste!

Sirians from the star Sirius and Pleidians from the Pleiades Constellation are waiting, and helping us to do so, for us to wake up to the future. According to Cori and other authors like Barbara Hand Clow, humans were seeded by them thousands of years, ago, perhaps 500,000 years ago, on this planet called Earth. Besides humans, animals and plants were also seeded from animals and plants from their planetary systems. The earth has been considered one of the lushest, most fertile planets in the galaxy, which is why those from other systems have come here to develop life. So we are all descendents from them. Please don't confuse these beings with the grays who abduct individuals and originate from a different planetary system. These Sirians and Pleidians are our friends.

"No More Secrets, No More Lies" is one of the most exciting and honest books I've ever read. This

was the first of Patricia Cori's books I read, and halfway through the reading, I knew I had to have all of the SIRIAN REVELATIONS. What courage Patricia Cori has to write her own truth and publish it. I intuitively knew this was true, as I have received some of the same truths in my own meditations. As I read through Patricia's books, I found that I did so much highlighting and underlining that it was taking double the time to read the books, but I couldn't stop doing it! That's my way of remembering what is important in a book. In Patricia's books, just about everything is of the highest importance to me. She definitely knows what she's writing about!! In addition, there is so much Love in her books, especially her Love for the planet on which we live. Patricia Cori has become my favorite author. I have read all of Zechariah Sitchin's books on the Annunaki, so I was very familiar with them. However, Patricia gave me what I consider to be the REAL truth about them. God bless you, Patricia. I hope we meet someday. I applaud your ability to channel truth and express it in a way that I was able to understand. I want to read any and every book you write!! Starr Wellborn Beven

I'm on my third read. Can't recommend this book highly enough. Now I'm delving into Atlantis Rising, also by Patricia Cori

I was prepared for news but this book really opened the vault. I was not prepared to look at Obama as a light-worker but my mind has been opened and I am no longer bound by walls. I see and have sensed most of what was and has been said in this book. Beware, you may get depressed after reading this, I had to put it down a few times because there was just so much to digest and the truth about what has happened to humanity is depressing. I am thrilled to find these books and to find this awakening. We must insist and work towards all that will heal this planet and through these insightfull and informative books we can. I am now thirsting for all I can find out and am gratefull for the guidelines in this book.

No More Secrets, No More Lies builds upon the mental stretches required in the prior two books, Cosmos of Soul and Atlantis Rising. The Sirians dive deep into the conspiracies of the Secret Government and reveal concise information you won't find anywhere else. Unlike many other conspiracy theorists, they present the information in a digestible manner. When you put all the parts together, you start to see the big picture. They offer hope and assistance to every living being. They are truly an inspirational species. Reading their words invokes happiness and peace. Throughout all of her writings, Patricia Cori discusses 2012 and the prophecies around the Mayan calendar. From these prophecies about our destiny I feel the most uplifting and positive emotions. I hope this finds

you in light and love and that your recognition of these words will assist in your own awakening.

"Secrets" is Cori's most assertive call to action from her Sirian Revelations Trilogy. With no text wasted, she immediately jumps into the historical lies and manipulations that she holds have rendered us unto the control of a secret government. From fear to food to war to water, this ride is fast and hard. Hang on. "Secrets" pulls no punches when discussing governmental and political puppetry, church deceit and the true face of the "enemy". Writing in her most adamant voice channeled yet from her High Sirian Council, the first half of this book can lead the reader into fear, despair, and the feeling of hopelessness for the entirety of Gaia and humanity. It's intentional. The Sirians make their point that life can be much better than this. She energizes us in the book's last half with a rally call to action, the reminder of who we are, how there is still power within each person's grasp and an introduction to the Children of the Violet Oversoul. If you liked Patricia Cori and her Sirian pals before, you will love "No More Secrets No More Lies". It's Cori fully in her element and at her best. Take a deep breath and dive in.
