"Compelling--readers of sports and mystery novels will enjoy this high-interest story--Highly recommended." (CM Magazine 2008-06-01)"What makes this book worth reading, especially if you are a hockey fan, is that Brouwer's main character is a goalie... AND he is in competition for the number one spot on his team with a girl!" (Resource Links 2008-10-01)"Brouwer combines the themes of teen issues, relationships, drugs, and disillusionment with parents and sports into a high adventure with ethical decisions looming." A female goalie forces Joseph to question his loyalties. --This text refers to an out of print or unavailable edition of this title.

My 10yo hockey obsessed daughter has read most of the books in this series. Her favorites were Rebel Glory & Winter Hawk Star. She'd give those 5, with Winter Hawk Star being her absolute favorite. The reading level is slightly below a 10yo, but she loves hockey so much that she devours these books anyhow.

I would give this book five stars because it was a wonderful book I would give this book to Jake Walman

Another great book from this author! I really like his "Lightning on Ice" Series. This book is about a hockey goalie named Joseph Larken. Trouble is stirred up when a girl goalie joins the team. There are steroids, fights, and other things going on. Has great suspense and keeps a person reading.
