Customer Reviews

I own two copies of this book. One I wrote in, one I saved. It's really neat to have especially when you look back on the book you wrote in a few years later, and its funny to see some of the stuff you wrote. I would suggest buying this book to any Hanson fan, but to the collectors I suggest buying two.

I am an absolute hanson fanatic. This book added to my collection of hanson stuff. If you are a fan this is a book you will die for. I think its the most updated book there is plus you can get pics! Its not as expensive as the others, but just as well..GREAT!

A collection of great pictures and stories of the boys travels and their experiances. not 100% accurate but still a good book

I'm a big Hanson fan and this book is the best! You can record all your feelings about Hanson and stuff about yourself too! I suggest all Hanson fans to buy this book! HANSON FOREVER! :)

This book is awesome, it has TONS of pics- but some wrong info- The pic that they say is there mom- isn't there mom at all- and some of the info in the book IS wrong- but besides that it is an AWESOME book!

This Book Is A Scrapbook That You Can Write In Like Your Fave Hanson Brother And Your Experience At The Hanson Concert You Went To!

A must have for any Hanson fan!! Info, pics, and much more!! It's great!!
