Customer Reviews

My son loves it

Great book of pictures of Mirage, Visions, 5th Edition, Weatherlight & Portal. Helps alot with viewing the cards for collecting.

If you are currently collecting or playing Magic cards, I suggest buying this book if you dont have it NOW! It is filled w/ information, fully illustrated cards, interesting facts, playing tips, etc. Also, buy the Magic Encyclopedia Volume 1.

If you are a mtg collector, you definitely need this book. Although it is much "thinner" than Volume 1 but it's still a must for any serious mtg collector

It is an excellent book as far as I'm concerned, only missing one card that I am aware of, which is the Clockwork Avian.

I collect the cards and I don't know how I would have known if they were rare or common cards if I hadn't found this book. It's the best!

though i dont have this book my friends say its an excellent book and I've seen it for my self and it is definatly a must buy

I LOVE MAGIC. I HAVE SHIVEN DRAGON, MOX DIAMOND, DUEL LANDS. THAT BOOKS IS AWESOME.
