PUSH: 30 Days To Turbocharged Habits, A Bangin' Body, And The Life You Deserve!

Synopsis

Let Chalene Johnson turbocharge your habits, your diet, and your life with the updated, enhanced edition of PUSH. With a brand new chapter, PUSH distills Charlene's hard-earned wisdom and expertise into a totally unique 30-day system that will help you reset your priorities, develop new habits, and lose weight for good. Chalene gives you the life-changing tools you need to change your habits with 30 days of practical steps that include pinpointing goals, reverse-engineering a course of action to achieve them, and kicking the clutter - whether that means junk food, draining exercise regimens, or toxic relationships. In one month, you will learn how to create layers of accountability and support so that success is your only option. PUSH also includes 30 ridiculously easy and delicious Throw-and-Go Recipes that Chalene (a self-confessed mess in the kitchen) created herself. And, of course, no book from Charlene is complete without her Bangin' Body Workout: the key moves you need for total body fitness - for life!

strategic from start to finish with easy to apply methods for success in everyday life.

HIGHly recommend this book. It led me to Chalene's website which has introduced me to eating in an amazing way. Lost 12 lbs in 3 weeks and am regaining health I thought was Lost Forever. Can't Wait to get in further in the book. AMAZING!

So much more than a fitness book, I am a 1/4 way through and can see how the activities laid out will improve my life in more ways than just my physical fitness level or nutrition habits. I will be ordering extra copies for my family.

Please, how could you not love all things Chalene!!! She is an amazing mentor and I love this book..
