## Customer Reviews

With each beautiful photograph, carefully crafted story and wisely chosen quote, Kasha Slavner shows us how to spin and weave a tapestry of life that transcends and affirms on a global scale. "...The heart and mind are the true lens of the camera. (Yousef Karsh)" This quote from the page entitled "Camera Connection" aptly reflects the inspiring young woman behind this excellent volume. I recommend this lovely collection of stories and images most highly.~ Julie Saeger Nierenberg, Artist, Author, Curator of Stories

I was mesmerized by the stories as well as the pictures. This photographer is inspiring AND educational... I feel like I was there with them. The quick stories and inspirational quotes are something I'll easily share with my 7yr old son time and time again. What a great book and what a

A delightful journey.

I got the opportunity to meet Kasha earlier this year. Her message, story, and courage continues to captivate and inspire me. I encourage and invite you to check out her newest project, Reflections of the Sunrise Storyteller: A Journey into the Heart as a Global Citizen, is an incredible journey highlighting her travels across four continents. Stories of hope, resilience, and what it means to be a global citizen fill these pages. Beautiful work, beautiful message.

This book is truly inspiring, heart-warming and encouraging! All the beautiful photographs, inspiring quotes and the way of storytelling make the book an absolutely memorable experience. "Nothing can dim the light which shines from within" (Maya Angelou) is one of my favorite quotes and it really reflects the whole story.
